| Company name KOBASHI DENKI CO.,LTD. | | | | Industry / Market segment Home appliances, electric devices, etc. | | | | | | | |
| Company representative Makoto Kobashi | | | | Location 1035 Yuta, Omata-cho, Ise-shi, Mie 519-0506 | | | | | | | |
| Capital | | 50 million yen | | Annual sales | | 1,300 million yen | | | | | |
| No. of employees | | 150 | | Certification | | ISO9001 / ISO14001 | | | | | |
| Business outline /Products Manufacture of electric machinery and appliances and electronic devices. Production and sales of leaf vegetables by fully controlled plant factory. | | | | Customers / Suppliers Industrial-equipment-related companies, amusement-equipment-related companies | | | | | | | |
| Overseas office | | China (Wuxi) | | Overseas transaction | | Yes | | | | | |

Selling points
Procurement of parts for electric and electronic machinery and appliances, SMT mounting, automatic soldering, assembly, inspection, packaging

Technology / Product details
We have 3 plants in Japan and 1 plant in China with capabilities of an integrated system to cover procurement of electronic parts, mounting them on substrates, assembly, inspection, and unit assembly for packaging and completion of finished products, based on production management skills and technical strength related to many kinds of assembly, from small quantity to large quantity assembly.

SMT mounting
Mounting, assembly and inspection of electronic circuit boards

Memory products and medium and small devices assembly business
Assembly of industrial equipment and small memory products

Agriculture business
Production and sales of leaf vegetables by fully controlled plant factory

Assembly business
Assembly of final finished products, in-house R&D products

Overseas business
Mounting electronic circuit boards and assembly of industrial equipment in China
