		◎	○				○	○				
Company name						Industry / Market segment						
Azumi Techno Co., Ltd.						Metal products (precision equipment, automotive electrical parts)						
Company representative						Location						
Minako Kasahara						578 Nakamura-cho, Tsu-shi, Mie, 514-1256 Japan						
Capital			30 million yen			Annual sales			150 million yen			
No. of employees			15			Certification			KES-1			
Business outline / Products						Customers / Suppliers						
High-precision die/equipment parts Custom-made parts for motorbikes, fishing gear, etc.						Seiko Epson Corporation Chuo Koki Co., Ltd. Sumitomo Wiring Systems, Ltd.						
Overseas office						Overseas transaction						
						Yes (exports)						
Selling points												
<p>(1) We will fulfill requests from designers for products such as high-precision die and equipment parts.</p> <p>(2) We will try things that your existing suppliers cannot deal with, such as accuracy and machined surface quality.</p>												
Technology / Product details												
High-precision parts (required accuracy at the micron level for single/small lots)												
1. Die parts for OA equipment						2. Die parts for digital cameras						
												
High-quality parts (medium lot volume production)												
3. Custom-made parts for motorbikes						4. Custom-made parts for fishing reels						
												
Main equipment												
7 machining centers (3 machining centers with high-speed rotation linear motor, etc.)												
8 EDMs (electric discharge machines) (3 wire EDMs, 1 hole drilling EDM, 3 sinker EDMs, etc.)												
4 NC lathes (1 multitasking lathe, etc.)
